PRESENTER

FRANCISCO CHAVEZ

Francisco Chavez (Frank) has been working at Embraer since 2012 and in the aviation industry for the past 32 years. With a strong technical background gained with many years in the VVIP Completions of wide body aircraft for heads of state and Royal families, his passion for delivering high quality and cost-effective solutions have proven to be an asset in nurturing an effective Interiors Design team at Embraer. Frank is a licensed A&P technician and a Private Pilot, today he leads the Interior Design and Visualization teams at Embraer Executive Jets in support of new aircraft and in-service aircraft worldwide
